### LETTER TO SHAREHOLDERS

Dear Shareholder,

As we reflect on 2024, we are pleased to report another solid and stable year for our company. The past few years have marked a gradual return to normalcy following the unprecedented economic interventions of the pandemic era, and we remain well-positioned to navigate this evolving landscape with resilience and strength.

The role of community banking has never been more important. As larger financial institutions become increasingly impersonal, we remain committed to being a responsive, trusted partner to the communities we serve. The relationships we foster with our customers and the personalized service we provide set us apart, allowing us to deliver meaningful solutions that go beyond transactions.

At the same time, we fully understand that digital innovation is essential to remaining relevant to our customers over the long-term. We recognize that technology enhances efficiency and convenience. However, we remain steadfast in our belief that the human element in banking is irreplaceable. Our approach ensures that customers receive the best of both worlds.

Financially, 2024 was another healthy year. The Company reported core earnings of \$40.9 million and total earnings, which includes the impact of the increase in the value of our equity securities portfolio, of \$157.8 million.

Our core institution performed well, and the returns from our long-held equity securities portfolio were extraordinary this year. These two fundamental components of our organization continue to generate meaningful value for our shareholders. We remain confident in the equity securities portfolio's long-term strategic benefit, as illustrated by the \$269 million in after-tax value created by the portfolio over the past five years. However as I have historically reminded our stakeholders, the accounting treatment for these investment securities introduces earnings volatility from year to year, and we recognize that the equity markets may not be as generous to us over the next five years. Given this potential volatility, we continue to manage our core institution with a disciplined approach to capital management and a conservative risk posture, which ensure we are able to weather downturns in the equity markets and continue to glean the long-term strategic benefits associated with this long-held portfolio.

Looking ahead, we are energized by our competitive position and the opportunities before us. The strength of our balance sheet, our relationship-based approach, and our continued investment in both people and technology position us well for the future. While the economic environment may continue to present challenges, we remain confident in our ability to navigate whatever lies ahead with discipline and foresight.

Southern BancShares was recognized in February 2025 as the #1 Bank in America by Forbes magazine, an achievement that has been both exciting and energizing. This achievement speaks volumes about the caliber of our associates, the trust and loyalty of our customers, and the soundness of our community banking model. While we take pride in this recognition, we remain focused on the core values that have defined us for over a century—principled decision-making, strong relationships, and a long-term perspective.

We continue to express our deep appreciation for our associates, whose professionalism and dedication to our caring culture drives our success. Their efforts ensure that we maintain the high level of service that our customers expect. As the banking industry experiences ongoing shifts, our team's ability to adapt while staying true to our mission is a fundamental priority.

As always, we extend our sincere gratitude to our customers and shareholders. Your trust and support fuel our mission, and we are honored to serve you. With optimism and determination, we look forward to another year of success and serving our customers.

Sincerely,

new M. Covert

### 2024 YEAR IN REVIEW

In 2024, Southern Bank made significant strides by entering new markets and planning further expansion into 2025. Throughout the year, several markets were also recognized for their work in the communities we serve.

We were honored to be selected by Inside Business as a Hampton Roads "Top Workplace" and received recognition from the Governor of Virginia. Additionally, we were named Community Bank of the Year by the North Carolina Rural Center at their Annual Rural Summit, acknowledging our exceptional service to North Carolina's small businesses and our impactful partnership with the Rural Center's Loan Participation Program, through which we have facilitated \$5.2 million in loans since 2022. Our commitment to community service was further recognized at the Rocky Mount Area Chamber of Commerce Small Business Celebration, where we proudly received the People's Choice Award for Favorite Bank. As we look to the future, we remain committed to the deep roots built within our communities and enthusiastic about fostering ongoing growth in the areas we serve.
